

## **The 26th Annual Carmel Art Festival May 17 – 19, 2019**

NEWS RELEASE  
May 9, 2019

The 26th Annual Carmel Art Festival will take place Friday thru Sunday, May 17 -19, 2019 in Devendorf Park in beautiful downtown Carmel-by-the-Sea, California. This three-day event celebrates Carmel's rich history of being an artist community and provides a rich cultural and educational experience for locals and visitors.

Founded 26 years ago by a group of gallery owners in Carmel-by-the-Sea, the **Carmel Art Festival** is one of the most prestigious plein air events in the country, attracting art collectors year after year. Each year, 60 juried artists immortalize the beauty of the scenic Monterey Peninsula and Big Sur Coastline.

**“And our annual donation to the Youth Arts Collective in Monterey encourages talented young artists to continue this tradition into the next generation,” according to Hella Rothwell, festival promoter.**

### **Highlights of the Carmel Art Festival**

**Devendorf Park:** Venue for all activities

**Sculpture-in-the-Park** exhibits, an opportunity to see works by some of the most highly acclaimed sculptors of our time carried by local art galleries in Carmel-by-the-Sea.

[Steven Whyte](#), internationally acclaimed figurative sculptor whose work is displayed at the **Smithsonian**, will be creating a large sculpture of a famous person in Devendorf Park over the course of the festival. Only on the last day will the subject be identified formally. Attendees enjoy watching the progress of Steven's work and come back repeatedly.

Besides sculpture displayed throughout the park, live bands will entertain crowds who often bring picnics and end up spending time with family and friends on the lawn.

A sales booth with festival t-shirts, posters, totes and hats will also be in the park.

On Saturday afternoon, "**Kids Make Art Day**" let's children have an opportunity to create something special to take home. The **Youth Arts Collective** of Monterey assists these budding artists. Participation for youngsters is FREE.

On Sunday morning, the last day of the festival, a "**Quick Draw**" will be held. Winning festival artists will have 2 hours to paint and this will be displayed and then offered in a silent auction at 11AM.

*“I have no clue how this will go over, but I think art buyers who fall in love with a painting, given the opportunity, will ‘buy now’”, according to Hella Rothwell, organizer.*

### **60 JURIED ARTISTS:**

These artists, some local but many travel to Carmel from around the country, can be seen during the festival painting outside. Many can be seen on the beach but they can paint anywhere throughout Monterey County. As a result, the paintings feature a wide variety of subjects. And yes, all the paintings are wet, so don’t go touching them! Festival planners laugh about how visitors react to this by reaching out to touch the wet canvas. *“It really is a unique experience to come and see these wonderful paintings and meet the artists who just painted them hours ago”* says Hella Rothwell, overall organizer and festival board member.

*“Not only are the paintings wet, I remember once when an artist quickly brushed a favorite pet onto a beach scene to please a buyer. Getting to meet the artist who painted the scene and have them sign the purchased painting is really special. Oh, and when you purchase one of the award winning paintings, you get to keep the ribbon.”*

### **And all around Carmel-by-the-Sea during the weekend:**

In addition to the official functions happening in Devendorf Park, there are gallery receptions and demonstrations taking place in a variety of galleries. Times and locations will be listed in the **FREE Carmel Art Festival program** distributed at the festival and locations such as **Carmel Art Association** and the **Chamber of Commerce**.

**The Carmel Art Festival is a non-profit organization.** Proceeds from the Carmel Art Festival benefit local youth art programs. For the past several years, this has been:

This 3<sup>rd</sup> Annual Friday evening event was started by Hella Rothwell, organizer of the Carmel Art Festival, to thank the hundreds of past art buyers who keep coming back year after year to support the Carmel Art Festival. *“It was quite a project to go back over our sales lists dating back to 2013 and find viable email addresses.”* And our past buyers were very enthusiastic at the personalized reminders of the festival.

And at the reception itself, the beautifully etched wine glasses that are handed to these buyers as a gift, have become collector’s item. *“Not even empty, used glasses are left behind.”*

**Wine is donated once again by Albatross Vineyard and small bites by Rich Pepe, restaurateur**
